MISSION

The mission of the Drop Out to Degree Program is to provide services that define a path to success for those who departed from established paths of education and foster the next generation of leaders through a continuously evolving cutting-edge program in the community.

VISION

The vision of the Drop Out to Degree Program is to become known as the education benchmark program in providing a unique functional service tailored to the needs of the individual. Each client will experience an outward and inward journey in their growth as emerging

graduates and educated members of our community.

GOALS

- Provide educational wellness, scholarship assistance, essay writing and economic empowerment.
- Teach and prepare students and adults for collegiate aspirations and provide tutorial programs to prep for the ACT, SAT, and college entrance exams.

- Support programs that provide safe environments for youths and adults ranging in age from 15 and up.
- Promote youth program healthy activities.
- Support programs that build healthy mentoring relationships with caring adults and organizations.
- Promote youth programs and leadership development.
- Promote civic and community engagement.
